

ORDINANCE NO. 182226

An ordinance adding Section 56.15.1 to Article 6 of Chapter V of the Los Angeles Municipal Code to restrict the use of skateboards on City roadways and to stop the dangerous practice of "bombing."

WHEREAS, skateboarders have been fatally injured while engaging in "bombing," a practice whereby skateboarders ride down City roadways at excessive speeds, sometimes obstructing traffic, and failing to yield at stop signs;

WHEREAS, bombing is a popular activity on steep hills because skateboarders can travel for several miles with little or no effort, and can reach speeds in excess of 40 miles per hour;

WHEREAS, bombing not only poses a significant danger to those engaging in this activity, it also endangers the lives and property of others who use City streets;

WHEREAS, to ensure that skateboard use on sidewalks is done safely, Los Angeles Municipal Code Section 56.15 prohibits the use of skateboards on City sidewalks in a manner that is in a willful or wanton disregard for the safety of persons or property; and

WHEREAS, California Vehicle Code Section 21967 allows a local authority to adopt an ordinance prohibiting or restricting the use of skateboards on highways, sidewalks, or roadways.

NOW, THEREFORE,

**THE PEOPLE OF THE CITY OF LOS ANGELES
DO ORDAIN AS FOLLOWS:**

3. **Yielding to traffic in same direction.** Persons riding on skateboards on public roadways shall ride close to the far-right edge of the roadway, and shall yield to vehicles approaching from the rear by moving to the right curb or shoulder of the roadway.

4. **Uncontrolled intersections.** When approaching an uncontrolled intersection, persons riding on skateboards on public roadways or public sidewalks shall yield to vehicles that are so near as to present a hazard and shall not cross the intersection at a speed in excess of ten (10) miles per hour.

5. **Manner of operation.** No person shall operate a skateboard recklessly or in such a manner or at such a speed as to cause or threaten to cause injury to himself or herself or to others, to create an obstruction or to present a hazard to the free use of public property by pedestrians or motorists.
