FIRESTAT-LA web application interface. The top navigation bar includes 'Admin Tool', 'FIRSTWATCH', 'OCU', 'Reports', 'Refresh', and 'John Sellers'. The main header displays 'Los Angeles Fire Department' and 'Serving With Courage, Integrity, and Pride'. The interface is divided into several sections:

- Left Panel:** Three circular gauges showing 'Task Force 204 - LAFD - SMS Response Time (5:00)' with values of 63%, 64%, and 62%.
- Center:** A large map of the Los Angeles area with various markers and labels.
- Bottom Panel:** A data table with columns: 'Date/Time', 'Problem', 'Precinct', 'Address/Location', and 'Coverage'. The table lists various incidents with their respective details.
