Subject: Fwd: Council File 12-0303, Hollywood Community Plan

To: [sharon.gin@lacity.org](mailto:sharon.gin@lacity.org)

I wish to register my repugnance for and opposition to the Hollywood Community Plan under consideration by the City Planning and Land Use Management Committee. Among the myriad objections I have to the subject Plan is one encapsulated in the very Environment Impact Report submitted by the Planning Department:

- The existing traffic gridlock and congestion currently experienced in Hollywood will be increased under the Hollywood Community Plan. The EIR offers no relief at all to a problem which is already driving residents and businesses away from Hollywood now.

I am a longtime resident of Hollywood, having been born here and lived here during most of my now 86 years. I see destruction and misery for the many and riches for a few in the Hollywood Community Plan. Send it back to the drawing board.
