Dear Sharon Gin,

I just signed a petition addressed to you titled *Save Hollywood -- Modify the Hollywood Plan*. So far, 45 people have signed the petition. The petition states:

"Stop the Plan in its' current form. Help us maintain our community, improve infrastructure and services rather increase density, traffic, noise and congestion."

My additional comments are:

Density is a bad idea. It is already hard to get across town. This is not NY it is LA and keep it that way. So no to greed head developers who probably do not even live here.

You can reply to me directly, but if you'd like to respond to all petition signers, click here: http://signon.org/target_talkback.html?tt=tt-15721-custom-7730-20120423-R8IHtg
