The Hollywood COMMUNITY Plan

No one could figure out why so many residents in every Hollywood Community knew nothing about The Hollywood COMMUNITY Plan, did not receive the informational pamphlets in the mail, were not informed of the two Public Hearings, leaving many of us helpless and with no time to spread the word, and try educate our communities, and get them up to speed.... the Hearings were less than two weeks away from when our information arrived in the mail.

We begged the City Planning office to send this information to EVERY person in our community and every person in Hollywood as we became aware that so few had received it, from neighboring community to community.

Only to be told:

'We only had to send the information to those within 500 feet of the proposed changes and that is all we have sent it to..'

THIS PLAN being probably the most dramatic and important thing to ever hit Hollywood... we were stunned.

The Two Public hearings were half full.

How many in Hollywood were never informed?

There have been on-going MIS-representations about ALL of Hollywood being informed.

Hollywood Chamber of Commerce, funded by the wealthiest developer about to take over Hollywood, as soon as this Plan gets passed, the developer who has contributed to the funds of this Mayor, and many City Council Members..keeps lying about this Plan being around a long time, and EVERYONE in Hollywood knew about it, and had the chance to weigh in on it.

This simply is NOT true as you can see by the speed at which this Petition is getting signers, as the rest of Hollywood and the city, is JUST finding out about The Hollywood COMMUNITY Plan.

Never has a COMMUNITY been so left out, dismissed, and ignored in any COMMUNITY Plan.

But the developers are getting impatient to start their mega over developed projects, and once this Plan is passed we will become a BY RIGHT anything goes city..the developers will be able to build whatever they want..NO community will have any say ..They have set the stage for this for years, and paid many for the privilege..

The Mayor was quoted just a few years ago..'single family homes with front and back yards will be a thing of the past here'

Totally contradicting the current mantra..'residential communities will be protected"

No they won't.. they obviously were never meant to be included in this Plan, as per his previous statement.

They were not even all informed about this PLAN.

Please read this Petition and sign it..

And watch it grow,

as

THE The Hollywood COMMUNITY Plan, finally is spread to the Hollywood COMMUNITY, and the TRUTH is finally revealed.

Join Residents, Small Business Owners, Hollywood Visitors , Neighborhood Councils, and Community Orgs. against The Hollywood Community Plan, and please Forward to others.

The COMMUNITY has not been considered or INCLUDED in The Hollywood COMMUNITY Plan
