Dear Sharon! My name is Patti Negri, I am a 30 year resident of Hollywood, and a 20 year resident of the Hollywood Dell - and I am scared to death of the new Hollywood Plan. I am afraid I will never again be able to get out of the hills to go to the store. I am even more afraid that emergency services will never be able to reach us. Traffic at Franklin, Vine, Argyle & Cahunega are already gridlocked most of the day. Those are the ONLY entrances to our neighborhood. The new plan will increase that horribly. Not to mention all the people coming and going on the 101 there - right at the ONLY entrances to our neighborhood. This is just too much and too big. It is not taking the residents into consideration at all. Please downscale. A lot. Thank you for your time.

Sincerely,

Patti Negri
