P&P TAC Working Group on 2010 Census February 2011

DOF acknowledges their population projections need to be updated but they are short on staff and time and are not mandated to update the projections any earlier than they have scheduled.

It is SCAG's misfortune that the timing is such that SCAG's will have a RHNA calculated with outdated projections.

This issue predated the Census gap issue which has only further exacerbated concerns over the RHNA.

*RHNA = Regional Housing Needs Assessment

*DOF = Department of Finance
