Case No: 2005-6082

Dear Ms. Gin,

I own a number of commercial properties in Hollywood in partnership with my business associates on Highland Ave. and Hollywood Blvd. I'd like to document my support for the Draft Hollywood Community Plan. A substantial amount of time and effort has been put into this document by very bright people, including the Councilmembers, that will provide a sustainable growth model for Hollywood, one of the major destinations in our city. Within a few years the Metro station at Hollywood and Highland will be providing transportation for tourists, commuters, and residents of Hollywood, in a way that transportation elsewhere cannot. Hollywood will be a model for sustainable growth, in large part to the adoption of this plan. For this reason, I APPROVE the Hollywood Community Plan. Additional information is below.
