Respected PLUM Committee Members,

Please ask yourselves why, at least so far, you have not made any changes to the proposed

**PROCEDURES AND PROCESSES ORDINANCE**

coming before you very soon, when you are surely aware that its new Zoning Code would put our local officials in 2nd place behind the un-elected Planning Department....if adopted.

**O P P O S E!! This Ordinance!!**

In Venice, the VSO has created far too many consequential negative community impacts!
