John,

This is a memorialization of the threat of litigation that has been received by a member of our office. This should be placed in Council file should we be advised that a closed session will be held and made available for public review upon request.

Thanks,

Mary

RE: CF 12-0647-S6

During negotiations related to this matter, the City Attorney received written advisement from opposing counsel that a lawsuit would be pursued should the negotiations not be successful.

Sincerely,
