Dear Mayor Villaraigosa:

With this letter I regretfully resign my position on the Affordable Housing Commission. It is with great regret that I resign. As a housing law attorney and affordable housing developer I am passionate about the work of the City of Los Angeles Housing Department (LAHD). I will always be grateful to you for giving me the opportunity to support that work as a member of the Commission for the last seven years. It has been an honor and a privilege. But, it is precisely my passion for the work of the Housing Department that leads me to relinquish my seat on the Affordable Housing Commission in favor of someone who is more able to devote the time and expertise that the Commission and LAHD deserve.

Although, I will no longer serve on the Commission, I hope to find other avenues to support the work of the City of Los Angeles Housing Department. I wish you and our colleagues at the Housing Department well as you continue your important efforts to increase the amount of quality affordable housing available to the low-income residents of our City.

Sincerely,

Evangeline Ordaz-Molina, Esq.
