### SUMMARY

In a report to the Mayor and Council dated June 11, 2014 (attached to the Council file), the CAO states LAPD requests authority to modify the 2012 COPS Hiring Program grant and reprogram funds totaling \$555,700. According to the CAO, the COPS grant provides funding directly to law enforcement agencies to hire new, additional officer positions who are post-September 11, 2001 military veterans with a minimum of 180 consecutive days of active military duty since September 11, 2001 to increase community policing capacity and crime prevention efforts. The grant award provides partial funding for salaries and fringe benefits for 25 LAPD officers for three years. LAPD has received approval from the grantor to modify the program budget to allow the Department to fully expend grant funds originally allocated to vacation, sick leave and holiday pay, and now use those funds for base salaries. The total Grant amount remains the same. On February 14, 2014, the Board of Police Commissioners approved LAPD's request. The CAO concurs with this action.

At its meeting held June 13, 2014, the Public Safety Committee recommended that Council authorize LAPD to modify the 2012 COPS grant budget, as recommended by the Board of Police Commissioners and the CAO.

Respectfully Submitted,

PUBLIC SAFETY COMMITTEE
