RE: Revision of BID Management District Plan

At the July 8, 2019 Studio City Improvement Association meeting, the Board of Directors passed a motion to modify the existing Management District Plan by modifying the Zones. Specifically, the Board voted to create an additional zone within the existing BID boundaries - on Ventura Blvd from Whitsett to Coldwater with reduced assessments.

We would like to request that the City Council modify the Studio City Improvement Association Management District Plan to reflect these changes.

Please let us know if you have any questions.
