

12-1607-S1

HOUSING, COMM & ECON. DEVELOP.

APR 5 2013 **MOTION**

On February 27, 2013, Council authorized the allocation of \$500,000 in Community Development Block Grant (CDBG) funds to Sunland/Tujunga/Hansen Dam Homeless Facility Improvements as part of its consideration of the 39<sup>th</sup> Program Year (2013-14) Consolidated Plan (C.F. 12-1607).

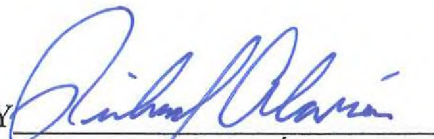

At the time of authorization, a contractor for the homeless facility improvements project was not identified. Since that time, Hillview Mental Health Center (Hillview) has been identified as an appropriate contractor to carry out the improvements and receive the CDBG allocation of funds. Therefore, Council should authorize the Community Development Department to execute a contract with Hillview to allow the previously-approved CDBG funds to be used for the project, subject to CDBG review and eligibility.

I THEREFORE MOVE that Council, subject to the approval of the Mayor and CDBG review and eligibility, authorize the General Manager of the Community Development Department, or designee, to:

1. Execute a contract and ancillary documents with Hillview Mental Health Center, a nonprofit corporation, for up to \$500,000 in Community Development Block Grant funds allocated to Sunland/Tujunga/Hansen Dam Homeless Facility Improvements and previously approved as part of the 39<sup>th</sup> Program Year (2013-14) Consolidated Plan in accordance with the City's Policy and Code of Federal Regulations, subject to City Attorney review as to form and legality.
2. Prepare Controller instructions and/or make any technical adjustments that may be necessary and are consistent with this action, subject to the approval of the City Administrative Officer, and authorize the Controller to implement these instructions.
