> Dear Bill,

> The Brentwood Community Council supports the ordinance that is in process and does not approve of a side deal between council and sign companies to change the objectives set forth.

> Please assure that you will impress this upon City Council so that residents of Los Angeles will have a better quality of life. It is not easy to buck big corporations, but we ask that you and your colleagues do just that. We have fought long and hard for justice on this and deserve the ordinance without deals made to the large companies.

> Fight for us, Bill!

> Sincerely,

> Nancy Freedman, Chair
