Dear Mr. Villaneuva,

Attached to this email are 126 letters from stakeholders in SUPPORT of the certification of the Historic Cultural North Neighborhood Council as the City's 99th neighborhood council.

Could these be included in the administrative file regarding HCNNC/Subdivision Election Misconduct (City Council File 12-1681-S4)? I have tried to redact personal information (street address numbers) from the letters. I would appreciate any advice.

Thank you for your time and attention to this matter.

Sincerely,

Phyllis Ling

SUBJECT: Certification of HCNNC, BONC Special Meeting on Oct. 29, 2018,
Council File #12-1681-S4

DATE: October 25, 2018

Dear Board of Neighborhood Commissioners and City Councilmembers,

We are stakeholders of the Historic Cultural Neighborhood Council and members of the Chinese Consolidated Benevolent Association (CCBA). We are writing to express our support for the certification of Historic Cultural North Neighborhood Council (HCNNC) as the City's 99th neighborhood council, which includes Chinatown, El Pueblo, Solano Canyon, and Victor Heights.

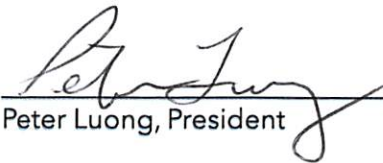

The Chinese Consolidated Benevolent Association of Los Angeles is an organization of 27 family associations in Los Angeles Chinatown. Established in 1889, the organization's original purpose was to provide social support for Chinese immigrants and to unite families against anti-Chinese discrimination. However, CCBA's current purpose has evolved to promote Chinese culture, advocate for democracy and freedom, represent the sentiment of overseas Chinese, and to support social welfare and charitable causes.

CCBA's members include residents, property owners, business owners and other stakeholders from areas throughout the proposed Historic Cultural North Neighborhood Council (HCNNC) area including Chinatown, Solano Canyon, Victor Heights, and El Pueblo.

The City has invested significant time and resources into a free and fair election. The election was held, and the voters have spoken. Over 90% voted in favor of forming HCNNC, and over twice as many people turned out for this election than the previous HCNC election. It's time to move forward and make sure that everyone has the opportunity to participate in this new neighborhood council.

HCNNC needs to be recognized officially, so that we can move forward and focus on the issues in our communities.

Sincerely,

Peter Luong, President

Mei Wah Lau, Vice President

CCOA – CHINATOWN SENIOR CITIZEN SERVICE CENTER

An Independent Agency For The Elderly Community Service

Oct, 29, 2018

Dear Board of Neighborhood Commissioners and City Council Members,

Chinatown Senior Citizen Service Center is an organization that has provided services to the elderly in Los Angeles's Chinatown for over 42 years. Under the auspices of our parent organization, Chinese Committee on Aging (CCOA), a 501(c)(3) tax exempt non-profit corporation, we have been able to provide a variety of services to help defend seniors against elder abuse, fraud, and identity theft, including translation, and assistance with Social Security and Medicare paperwork.

We encourage the senior citizens in our community to be politically engaged, so that the politicians who control the levers of power are aware of their opinions, as well as their specific needs. One vital way to communicate with representatives is by voting in elections, whether they be federal, municipal, or neighborhood council elections. It is a testament to the seniors in our community, that despite language barriers and mobility issues, they often make up a large part of the electorate in our neighborhood council elections.

The City of Los Angeles invested considerable resources into a free and fair election. Community members from throughout the Historic Cultural Neighborhood Council area had the opportunity register and vote in the subdivision election. On June 7th, voters overwhelmingly approved the plan to form the Historic Cultural North Neighborhood Council (HCNNC). City leaders need to respect the will of the voters, and recognize HCNNC as the City's 99th neighborhood council.

Sincerely,

Don Toy

President

SUBJECT: Public Comment in SUPPORT of HCNNC - Oct 29, 2018 BONC Meeting, City Council File 12-1681-S4

October 29, 2018

Dear Board of Neighborhood Commissioners and City Council Members,

I am a longtime resident of Victor Heights, which is one of the neighborhoods in the proposed Historic Cultural North Neighborhood Council, HCNNC. I've lived in Victor Heights since 1974. I raised my children here, I've run businesses from here, and I've seen how our neighborhood has changed over the years. While I prefer to stay out of the messy and sometimes personal politics of my neighborhood council, I did vote in the subdivision election. I probably wouldn't have voted if it were not for a supporter who reached out to me, and explained some of the advantages of splitting off, such as more focused representation and the potential for more funding.

On June 7th, I was one of the voters who went to Castelar Elementary school, and casted a "YES" vote in the subdivision election. I continue to support the plan to include all four neighborhoods (Chinatown, El Pueblo, Solano Canyon, and Victor Heights) in HCNNC, which was approved overwhelmingly by voters. The Board of Neighborhood Commissioners and City Council members need to respect the outcome of this election, and officially recognize HCNNC as the City's 99th neighborhood council.

Sincerely,

A handwritten signature in black ink that reads "Lelan Zales". The signature is written in a cursive, flowing style.

SUBJECT: Public Comment SUPPORTING the Certification of HCNNC, BONC
Special Meeting on Oct. 29, 2018, City Council File 12-1681-S4

DATE: October 28, 2018

Dear Board of Neighborhood Commissioners and City Council Members,

I am a resident and property owner within the Solano Canyon area of the proposed Historic Cultural North Neighborhood Council (HCNNC). I voted YES in the HCNNC subdivision election that was held on June 7th. I am writing this letter to express my continued support for certifying HCNNC as an official neighborhood council that includes not only my neighborhood of Solano Canyon, but also Chinatown, El Pueblo, and Victor Heights.

A lot of time and energy has been invested into forming a new neighborhood council, not only by the organizing committee, but also by the City, and by the community members who made the effort to register and vote in the subdivision election. City leaders need to respect democracy and respect the will of the voters who overwhelmingly approved the plan to form HCNNC. It's been almost 5 months since the election. It's time to certify HCNNC as the City's 99th neighborhood council.

Sincerely,

A handwritten signature in black ink, appearing to read 'Tany Ling', with a stylized flourish at the end.

Tany Ling
Resident of Savoy Street in Solano Canyon

To whom it may concern:-

I am the current year's elected president for the Soo Yuen Fraternal Association, which is situated at 993 North Broadway, next to the Royal Pagoda Motel. We are one of the 27 family associations in Los Angeles Chinatown, under the organization of the Chinese Consolidated Benevolent Association (CCBA) of Los Angeles. We provide social support for Chinese immigrants, unite families against anti-Chinese discrimination, promote Chinese culture, advocate for democracy and freedom, represent the sentiment of overseas Chinese, and support social welfare and charitable causes.

On May 18, 2018, I was invited by the CCBA to attend a community proposal, to subdivide the existing Historic Cultural Neighborhood Council (HCNC) into the North and South. This HCNC was formed more than 15 years ago to serve 6 districts. However, the on-going changes within the last 15 years made it not possible to have the capacity to serve all areas effectively, despite their close proximity. Chinatown community suffers greatly because many needs were not being prioritized properly. Therefore, a subdivision is recommended, with Chinatown being included in the North district, together with Solano Canyon, Victor Heights and El Pueblo de Los Angeles. This leaves out the Arts District and Little Tokyo to be represented as the South district. With this change, the geographic area for these 4 districts on the North side makes sense, sharing on schools, public library and parks. In addition, churches as well as businesses within this neighborhood share a rich historical and cultural link, thereby extending the legacy of the Mexican, Italian and Chinese communities. Finally, the majority of the residents are foreign born and non-English speakers. Language access for city services, housing, and community development is badly needed. The subdivision will provide city neighborhood councils higher priority and more capacity to focus closely on the distinct needs of these neighborhoods.

I casted my YES vote on June 7 evening at Castelar Elementary School. Final vote tally shows an overwhelmingly YES. As an organization that has supported the civil rights of our communities, we appreciate that the city invested significant time and resources into a free and fair election, in which all community members had the opportunity to express their wishes for the future of our neighborhood councils. We, the undersigned, believe it is important that the Board of Neighborhood Commissioners and other city leaders respect the will of the voters, and without further delay, certify the HCNNC as the City's 99th neighborhood council. Thank you very much.

Sincerely,

Wilson Kwong

親愛的鄰里委員會委員，

我是歷史文化社區委員會的利益相關者。我寫信是為了表達我對HCNNC是該市第99個鄰里委員會，其中包括華埠 (Chinatown)，埃爾普韋布洛 (El Pueblo)，索拉諾峽谷 (Solano Canyon)和維克多崗 (Victor Heights)。

這個過程投入了大量的時間和資源。選舉已經舉行，選民已經發言了。超過90%的人投票支持組建HCNNC，而此次選舉的人數比之前的HCNC選舉多兩倍。現在是時候向前邁進，確保每個人都有機會參加這個新的鄰里委員會。

一旦HCNNC成立，我希望在我們的社區中看到更多關於重要問題的外展和行動，例如負擔得起的房子，無家可歸者，行人和街道安全，公共安全，和醫院。

HCNNC需要得到官方認可，以便我們能夠繼續前進並專注於社區中的問題。

親愛的鄰里委員會委員，

我是歷史文化社區委員會的利益相關者。我寫信是為了表達我對HCNNC是該市第99個鄰里委員會，其中包括華埠 (Chinatown)，埃爾普韋布洛 (El Pueblo)，索拉諾峽谷 (Solano Canyon)和維克多崗 (Victor Heights)。

這個過程投入了大量的時間和資源。選舉已經舉行，選民已經發言了。超過90%的人投票支持組建HCNNC，而此次選舉的人數比之前的HCNC選舉多兩倍。現在是時候向前邁進，確保每個人都有機會參加這個新的鄰里委員會。

一旦HCNNC成立，我希望在我們的社區中看到更多關於重要問題的外展和行動，例如負擔得起的房子，無家可歸者，行人和街道安全，公共安全，和醫院。

HCNNC需要得到官方認可，以便我們能夠繼續前進並專注於社區中的問題。

此致，

Dear Board of Neighborhood Commissioners,

I am a stakeholder of the Historic Cultural Neighborhood Council. I am writing to express my support for the certification of Historic Cultural North Neighborhood Council (HCNNC) as the City's 99th neighborhood council, which includes Chinatown, El Pueblo, Solano Canyon, and Victor Heights.

A lot of time and resources have been invested into this process. An election was held, and the voters have spoken. Over 90% voted in favor of forming HCNNC, and over twice as many people turned out for this election than the previous HCNC election. It's time to move forward and make sure that everyone has the opportunity to participate in this new neighborhood council.

Once the HCNNC is established, I would like to see more outreach and action on important issues in our neighborhoods such as affordable housing, homelessness, public safety, pedestrian and street safety, and hospitals.

HCNNC needs to be officially recognized, so that we can move forward and focus on the issues in our communities.

我是歷史文化社區委員會的利益相關者。我寫信是為了表達我對HCNNC是該市第99個鄰里委員會，其中包括華埠 (Chinatown)，埃爾普韋布洛 (El Pueblo)，索拉諾峽谷 (Solano Canyon)和維克多崗 (Victor Heights)。

這個過程投入了大量的時間和資源。選舉已經舉行，選民已經發言了。超過90%的人投票支持組建HCNNC，而此次選舉的人數比之前的HCNC選舉多兩倍。現在是時候向前邁進，確保每個人都有機會參加這個新的鄰里委員會。

一旦HCNNC成立，我希望在我們的社區中看到更多關於重要問題的外展和行動，例如負擔得起的房子，無家可歸者，行人和街道安全，公共安全，和醫院。

HCNNC需要得到官方認可，以便我們能夠繼續前進並專注於社區中的問題。

SUBJECT: Certification of HCNNC, BONC Special Meeting on Oct. 29, 2018

DATE: October 23, 2018

Dear Board of Neighborhood Commissioners,

I am a stakeholder of the Historic Cultural Neighborhood Council. I am writing to express my support for the certification of Historic Cultural North Neighborhood Council (HCNNC) as the City's 99th neighborhood council, which includes Chinatown, El Pueblo, Solano Canyon, and Victor Heights.

A lot of time and resources have been invested into this process. An election was held, and the voters have spoken. Over 90% voted in favor of forming HCNNC, and over twice as many people turned out for this election than the previous HCNC election. It's time to move forward and make sure that everyone has the opportunity to participate in this new neighborhood council.

Once the HCNNC is established, I would like to see more outreach and action on important issues in our neighborhoods such as affordable housing, homelessness, public safety, pedestrian and street safety, and hospitals.

HCNNC needs to be officially recognized, so that we can move forward and focus on the issues in our communities.

Sincerely,

親愛的鄰里委員會委員，

我是歷史文化社區委員會的利益相關者。我寫信是為了表達我對HCNNC是該市第99個鄰里委員會，其中包括華埠 (Chinatown)，埃爾普韋布洛 (El Pueblo)，索拉諾峽谷 (Solano Canyon)和維克多崗 (Victor Heights)。

這個過程投入了大量的時間和資源。選舉已經舉行，選民已經發言了。超過90%的人投票支持組建HCNNC，而此次選舉的人數比之前的HCNC選舉多兩倍。現在是時候向前邁進，確保每個人都有機會參加這個新的鄰里委員會。

一旦HCNNC成立，我希望在我們的社區中看到更多關於重要問題的外展和行動，例如負擔得起的房子，無家可歸者，行人和街道安全，公共安全，和醫院。

HCNNC需要得到官方認可，以便我們能夠繼續前進並專注於社區中的問題。

此致，

SUBJECT: Certification of HCNNC, BONC Special Meeting on Oct. 29, 2018

DATE: October 23, 2018

Dear Board of Neighborhood Commissioners,

I am a stakeholder of the Historic Cultural Neighborhood Council. I am writing to express my support for the certification of Historic Cultural North Neighborhood Council (HCNNC) as the City's 99th neighborhood council, which includes Chinatown, El Pueblo, Solano Canyon, and Victor Heights.

A lot of time and resources have been invested into this process. An election was held, and the voters have spoken. Over 90% voted in favor of forming HCNNC, and over twice as many people turned out for this election than the previous HCNC election. It's time to move forward and make sure that everyone has the opportunity to participate in this new neighborhood council.

Once the HCNNC is established, I would like to see more outreach and action on important issues in our neighborhoods such as affordable housing, homelessness, public safety, pedestrian and street safety, and hospitals.

HCNNC needs to be officially recognized, so that we can move forward and focus on the issues in our communities.

Sincerely,

It's time to move forward and make sure that everyone has the opportunity to participate in this new neighborhood council.

Once the HCNNC is established, I would like to see more outreach and action on important issues in our neighborhoods such as affordable housing, homelessness, public safety, pedestrian and street safety, and hospitals.

HCNNC needs to be officially recognized, so that we can move forward and focus on the issues in our communities.

Dear Board of Neighborhood Commissioners,

I am a stakeholder of the Historic Cultural Neighborhood Council. I am writing to express my support for the certification of Historic Cultural North Neighborhood Council (HCNNC) as the City's 99th neighborhood council, which includes Chinatown, El Pueblo, Solano Canyon, and Victor Heights.

A lot of time and resources have been invested into this process. An election was held, and the voters have spoken. Over 90% voted in favor of forming HCNNC, and over twice as many people turned out for this election than the previous HCNC election. It's time to move forward and make sure that everyone has the opportunity to participate in this new neighborhood council.

Once the HCNNC is established, I would like to see more outreach and action on important issues in our neighborhoods such as affordable housing, homelessness, public safety, pedestrian and street safety, and hospitals.

HCNNC needs to be officially recognized, so that we can move forward and focus on the issues in our communities.

親愛的鄰里委員會委員，

我是歷史文化社區委員會的利益相關者。我寫信是為了表達我對HCNNC是該市第99個鄰里委員會，其中包括華埠 (Chinatown)，埃爾普韋布洛 (El Pueblo)，索拉諾峽谷 (Solano Canyon)和維克多崗 (Victor Heights)。

這個過程投入了大量的時間和資源。選舉已經舉行，選民已經發言了。超過90%的人投票支持組建HCNNC，而此次選舉的人數比之前的HCNC選舉多兩倍。現在是時候向前邁進，確保每個人都有機會參加這個新的鄰里委員會。

一旦HCNNC成立，我希望在我們的社區中看到更多關於重要問題的外展和行動，例如負擔得起的房子，無家可歸者，行人和街道安全，公共安全，和醫院。

HCNNC需要得到官方認可，以便我們能夠繼續前進並專注於社區中的問題。
