Los Angeles City Council  
200 N. Spring St  
Los Angeles, CA 90012

Dear City Council Members:

As you are aware, All Saints Episcopal Church, working together with Recycled Resources, for the past two winters has hosted a Cold Weather Shelter in our sanctuary from December 1 to March 31.

As winter is approaching, I want to assure you that we are expecting to host the Shelter again. My Vestry, Congregation and I are ready and willing to do this important work for our community and City.

We want to thank you for your important support in the past. We look forward to your support again in this important work.

Please let me know if you have any questions.

Thank you,

Father W. Clarke Prescott

Priest in Charge
