Summary: The Glassell Park Neighborhood Council voted unanimously FOR this council file.

We, the GPNC, strongly support the extension of the Winter Shelter Program through the month of March, especially considering that there is no additional funding required to do so.

Our local shelter in Highland Park, operated by Ascensia and Recycled Resources, is an incredible resource for our NELA homeless neighbors. With the recent heavy rains and low temperatures, we believe that an extension is not only necessary but also the moral and decent thing to do.

For these reasons, the Glassell Park Neighborhood Council unanimously SUPPORTS this motion.
