MOTION

The City owns a vacant street triangle at the corner of Gage Avenue and Avalon Boulevard per the attached legal description in Council District Nine. The Los Angeles Neighborhood Land Trust (LANLT) has applied for and been awarded funds from Proposition K (\$213,000) and First 5 LA (\$150,000) to develop a park on the Gage and Avalon site. To satisfy the terms of the Prop K agreement, LANLT will develop, operate, and maintain the site for the duration of the lease agreement with the Department of Recreation and Parks (RAP). To allow RAP to expand green space in the area and contract with LANLT to develop a park at the Gage and Avalon site, jurisdiction of the land should be transferred from GSD to RAP.

I THEREFORE MOVE that the Department of General Services be instructed to effectuate a non-financial transfer of jurisdiction of the street triangle at the corner of Gage Avenue and Avalon Boulevard per the attached legal description to the Department of Recreation and Parks.

I FURTHER MOVE that the Board of Recreation and Parks be requested to consider, approve, and accept the transfer of jurisdiction of the street triangle at the corner of Gage Avenue and Avalon Boulevard per the attached legal description and dedicate it as park property in perpetuity.

I FURTHER MOVE that the Department of Recreation and Parks be requested to: (1) enter into a 15-year lease agreement, beginning on the construction completion date, with Los Angeles Neighborhood Land Trust; (2) provide a right-of-entry permit to LANLT; and (3) pursue a street vacation of the public right-of-way, included in the attached legal description.

I FURTHER MOVE that the Bureau of Engineering be authorized to issue construction permits as necessary to the Los Angeles Neighborhood Land Trust.
