AMENDING MOTION

I HEREBY MOVE that Council AMEND the recommendation of the Chief Legislative Analyst (Item No. 36, Council file No. 13-0002-S10) to include the following recommendation (recommendation No. 3 of the Transportation Committee report, attached to Council file No. 12-1764-S3):

REQUEST that the Governor of the State of California veto Assembly Bill (AB) 61 (Gatto) which would prohibit a local authority from enacting an ordinance or resolution prohibiting or restricting the parking of a vehicle in a parking space that is regulated by an inoperable parking meter or inoperable parking payment center, inasmuch as rescinding the Council action taken December 5, 2012 to require payment at metered parking spaces even if the meter or pay station is inoperable renders AB 61 moot; and, to preserve the City's ability to revise this policy should any unanticipated negative consequences arise from revising the City's parking meter policy.

RESOLUTION

WHEREAS, any official position of the City of Los Angeles with respect to legislation, rules, regulations or policies proposed to or pending before a local, state or federal governmental body or agency must have first been adopted in the form of a Resolution by the City Council with the concurrence of the Mayor; and

WHEREAS, current law allows local jurisdictions to enact ordinances or resolutions to prohibit or restrict parking in spaces regulated by an inoperable parking meter or parking payment machine; and

WHEREAS, the City of Los Angeles enacted such an ordinance in December 2012; and

WHEREAS, this policy is designed to deter vandalism, which used to be a significant issue prior to the enactment of this no parking policy; and

WHEREAS, parking is a local control issue, and should not be subject to state controls on local government actions; and

WHEREAS, AB 61 (Gatto) would prohibit local agencies from enacting ordinances or resolutions to prohibit or restrict parking in spaces regulated by an inoperable parking meter or payment center; and

WHEREAS, AB 61 would encourage renewed vandalism against parking meters, negatively impacting maintenance, parking turnover and access, as well as parking revenue; and

WHEREAS, AB 61 would have a significant impact on local government and local control;

NOW, THEREFORE, BE IT RESOLVED, with the concurrence of the Mayor, that by the adoption of this Resolution, the City of Los Angeles hereby includes in its 2013 - 2014 State Legislative Program OPPOSITION to AB 61, which would prohibit local government agencies from enacting ordinances or resolutions to prohibit or restrict parking in spaces regulated by an inoperable parking meter or payment center.

CERTIFY THAT THE FOREGOING
RESOLUTION WAS ADOPTED BY THE
COUNCIL OF THE CITY OF LOS ANGELES
AT ITS MEETING OF JUL 31 2013
BY A MAJORITY OF ALL ITS MEMBERS.
