Community Impact Statement

Council File # 13-0024

At the January 17, 2013 General Board meeting the FTDNC voted to **SUPPORT** this motion because it addresses many hundreds of acres of Open Space also under the jurisdiction of the Army Corp of Engineers in the Hansen Dam area. This valuable public land, home for many sensitive flora and fauna, is under constant attack by careless and thoughtless people.

We believe that proper environmental reports be the norm for the City Planning, Bureau of Sanitation and Recreation and Parks Departments before any destruction of these special areas as well as notification to appropriate local groups and Neighborhood Councils.

Signed,

President
