RECOMMENDED ACTIONS

1. That the Board of Police Commissioners (Board) APPROVE the Request for Authority to Destroy Obsolete Records - Original/Official Records for Southeast Area.
2. That the Board TRANSMIT this report and request to the City Clerk, Records Management Officer.

DISCUSSION

On September 3, 1981, the City Records Retention Ordinance, Los Angeles Administrative Code, Division 12, was approved by the City Council and signed into law by the Mayor. The ordinance established rules, regulations, and guidelines for retaining, retrieving, and destroying City records. Subsequently, on November 22, 1985, the City Council approved the Los Angeles Police Department (Department) Records Retention Schedule, which established retention and destruction periods for all of the Department's records.

The "Request for Authority to Destroy Obsolete Records" herein lists 571 boxes of original records for Southeast Area. The records to be destroyed are listed as an attachment. All records have satisfied both the minimum retention of the Department's Records Retention Schedule and the requirements for the destruction of obsolete records as specified by the Los Angeles Administrative Code, Section 12.5.

If you have any questions, please have your staff contact Police Administrator D'Anna Markley, Commanding Officer, Records and Identification Division, at (213) 486-8170.

Respectfully,

CHARLIE BECK
