Subject: **REQUEST FOR AUTHORITY TO ISSUE LETTERS OF COMMITMENT FOR MANAGED PIPELINE PROJECTS AND TO TAKE VARIOUS ACTIONS RELATED TO THE AFFORDABLE HOUSING TRUST FUND**

SUMMARY

In January 2014, the Mayor and Council approved the initial 19 Managed Pipeline Projects (C.F. 13-0303-S1) as proposed by the Housing and Community Investment Department (HCID). The General Manager of HCID now requests authority to issue Letters of Commitment for five of the 19 affordable housing projects in accordance with the California Tax Credit Allocation Committee (CTCAC) 2014 Round 1 competition for nine percent Low Income Housing Tax Credits (LIHTC) in the Los Angeles Geographic Region. The CTCAC Round 1 deadline is March 5, 2014. The General Manager of HCID also requests authority to award up to \$2,650,000 from the Affordable Housing Trust Fund (AHTF) for one of the five projects.

In addition, HCID requests approval to extend the terms of the predevelopment loans for the Florence Mills project and LDK Apartments for two years and to enter into an Exclusive Negotiation Agreement (ENA) with Clifford Beers Housing, Inc. for the Casa de Rosas project. These three properties were transferred to HCID from the former Community Redevelopment Agency of Los Angeles (CRA/LA) and work on the projects has been delayed for a variety of reasons. The City Attorney states that the Mayor and Council have the authority to approve the new loan terms and the ENA for the three former CRA/LA projects.

Since Courtleigh Villas and 1st & Soto TOD Apartments were not selected to receive tax credits and are not continuing at this time, HCID requests authority to de-obligate a total of \$1,017,100 that was previously awarded for the two projects from the AHTF.

Subsequent to submitting the February 20, 2014 transmittal, HCID found that Marmion Way Apartments, one of the 19 Managed Pipeline affordable housing projects, would be ready in time for

the March 5, 2014 CTCAC Round 1 application deadline. The revised list showing the six projects that are ready for the tax credit application process is included in Attachment A of this report.

This Office concurs with the requests in the HCID transmittal dated February 20, 2014 and request to add the sixth CTCAC project after the transmittal was released. The HCID transmittal is included as Attachment B of this report.

RECOMMENDATIONS

That the Council, subject to the approval of the Mayor, adopt the recommendations in the transmittal dated February 20, 2014 from the Housing and Community Investment Department (HCID) with the following changes:

1. Replace recommendation 2. A. with the following:

Issue a California Tax Credit Allocation Committee (CTCAC) 2014 Round 1 Letter of Support to the sponsors of the Gateway Apartments, LDK Apartments, Paloma Terrace, Selma Community Housing and the Marmion Way projects, subject to the condition that the sponsors apply to CTCAC in the allocation round authorized by HCIDLA;

2. Add the following recommendation as 2.L.:

De-obligate the funding for the following projects which received Letters of Commitment in prior actions (C.F. 13-0303):

| Project | Fund | Account | Account Name | Amount |
|---------------------------------------|--------|---------|--------------|--------------------|
| Courtleigh Villas | 561/43 | 43C212 | AHTF | \$57,500 |
| 1 st & Soto TOD Apartments | 561/43 | 43C212 | AHTF | 959,600 |
| Total: | | | | \$1,017,100 |

3. Replace recommendations 3.A. and 3.B. with the following recommendation as 3.:

Authorize the Controller to allocate and expend funds from the following fund and accounts for the project below, in accordance with the Initial Call for Projects recommendations:

| Project | Fund | Account | Account Name | Amount |
|----------------|--------|---------|--------------|--------------------|
| LDK Apartments | 561/43 | 43C212 | AHTF | \$1,017,100 |
| | 561/43 | 43J007 | AHTF | 194,019 |
| | 551/43 | 43K008 | AHTF | 1,438,881 |
| Total: | | | | \$2,650,000 |

4. Delete recommendation 4; and
5. Replace Attachment 1 of the HCID transmittal with Attachment A of this report.

FISCAL IMPACT STATEMENT

There is no impact to the General Fund. Approval of the recommendations in this report authorizes the Housing and Community Investment Department (HCID) to issue Letters of Commitment to projects selected from the Managed Pipeline. Funding is available and provided from the Affordable Housing Trust Fund. The recommendations in this report comply with City Financial Policies in that a dedicated funding source will fully fund any projects selected through the California Tax Credit Allocation Committee 2014 Round 1 application process.

COUNCIL TRANSMITTAL: LOS ANGELES HOUSING AND COMMUNITY INVESTMENT DEPARTMENT (HCIDLA) RECOMMENDATION OF MANAGED PIPELINE PROJECTS FOR THE LOW INCOME HOUSING TAX CREDIT (LIHTC) FIRST ROUND OF 2014; VARIOUS ACTIONS RELATED TO THE AFFORDABLE HOUSING TRUST FUND (AHTF)

SUMMARY:

Affordable Housing Managed Pipeline

On June 28, 2013, the City Council adopted the Affordable Housing Managed Pipeline process and authorized a bi-annual Call for Projects beginning with the 2013 Initial Call for Projects (C.F. 13-0824). On January 21, 2014, HCIDLA received Mayor and City Council approval to admit 19 projects into the pipeline. The projects were evaluated for readiness and HCIDLA now recommends that four projects plus one alternate move forward into the California Tax Credit Allocation Committee (CTCAC) 2014 Round 1 competition for 9% LIHTC in the Los Angeles Geographic Region; CTCAC's 2014 Round 1 deadline is March 5, 2014. It is also requested that one project slated to compete in the Non-Profit Set-Aside be awarded an Affordable Housing Trust Fund (AHTF) commitment in an amount not to exceed \$2,650,000. A list of the Managed Pipeline projects and their readiness status is provided as Attachment One of this report.

Various Actions

In addition to the Affordable Housing Managed Pipeline actions, HCIDLA also requests the approval to extend the term of the CRA/LA predevelopment loans for two pipeline projects and enter into an Exclusive Negotiation Agreement (ENA) with Clifford Beers for another former CRA/LA project, Casa

de Rosas. Authority is also requested to de-obligate AHTF commitments for two previously approved projects, Courtleigh Villas and 1st and Soto TOD.

RECOMMENDATIONS:

The HCIDLA General Manager respectfully requests that:

1. Your office schedule this transmittal at the next available meeting(s) of the appropriate City Council committee(s) and forward it to City Council for review and approval immediately thereafter;

 - D. Negotiate and execute an acquisition/predevelopment/construction/permanent loan agreement for the LDK Apartments project, subject to the satisfaction of all conditions and criteria stated in the Managed Pipeline application, this transmittal, and HCIDLA's Letter of Commitment, subject to approval by the City Attorney as to form;

BACKGROUND

Affordable Housing Managed Pipeline - Recommended Projects for CTCAC 2014 Round 1

On January 21, 2014, HCIDLA received Mayor and Council authority to admit 19 proposed affordable housing developments into the Initial Managed Pipeline. All 19 proposed affordable housing

developments passed the Threshold Criteria and were ranked using the Competitive Criteria as set forth in the City-adopted 9% LIHTC Managed Pipeline Plan (heretofore "Regulations") (C.F. 13-0824).

HCIDLA proceeded to evaluate the 19 proposals using criteria in the Regulations to determine the projects that were ready to compete for 9% LIHTC in the first CTCAC round of 2014. Based on this review and several ongoing multi-lateral conversations with funders and developers, HCIDLA determined that five Managed Pipeline affordable housing developments will be ready to apply for CTCAC's 2014 Round 1 in early March; these projects are listed in Table One below. For every project selected (with the exception of Paloma Terrace), readiness was determined by the commitments received from the Los Angeles County Community Development Commission (LACDC) or from one of two funding sources administered by the California Housing and Community Development Department (HCD): the Infill Infrastructure Grant (IIG) and the Transit-Oriented Development (TOD) program. The Paloma Terrace project was deemed ready based on the evaluation of readiness documents submitted on February 12, 2014. On February 18 and 19, respectively, LACDC and HCD informed HCIDLA of the projects with impending awards, as noted in the table. Of the five projects moving forward, the Gateway Apartments is the only project that received an AHTF award at the time the project was admitted into the Managed Pipeline (C.F. 13-0303).

TABLE ONE – PROJECTS RECOMMENDED FOR 9% LIHTC IN CTCAC 2014 ROUND 1

| PROJECT NAME | CD | UNITS | HCD OR LACDC COMMITMENT AWARDED | 9% LIHTC NEEDED (Estimate) |
|--|------|-------|---------------------------------|----------------------------|
| NONPROFIT SET-ASIDE | | | | |
| \$4,391,393 IN 9% LIHTC AVAILABLE IN CTCAC 2014 ROUND 1 | | | | |
| Gateway Apartments | 11 | 21 | LACDC | 628,735 |
| LDK Senior Apartments | 4/10 | 67 | HCD IIG | 1,187,044 |
| TOTAL | | 88 | | \$1,815,779 |
| L.A. CITY GEOGRAPHIC REGION | | | | |
| \$3,059,554 IN 9% LIHTC AVAILABLE IN CTCAC 2014 ROUND 1 | | | | |
| Paloma Terrace | 9 | 59 | N/A | 1,710,954 |
| Selma Community Housing | 13 | 66 | HCD TOD | 1,892,212 |
| Taylor Yard Senior Housing ¹ | 1 | 108 | HCD TOD | 2,499,750 |
| TOTAL | | 233 | | \$6,102,916 |

^{*}The combined 9% LIHTC needed for Paloma Terrace and Selma Community Housing is 117% of the total Federal LIHTC available for 2014 CTCAC Round One. This percentage is below the 125% maximum allowable rule, in accordance with Section 10325(d)(2) of the CTCAC Regulations.

¹Taylor Yard Senior will be recommended for the Geographic Region as an alternate, in the event that either Paloma or Selma does not pass CTCAC threshold requirements. The addition of alternate projects is permissible under Section 7.4 of the Managed Pipeline Regulations.

Current Actions

Because LDK Apartments will be competing with projects statewide in the Non-Profit Set-Aside, HCIDLA proposes to heighten the project's competitiveness by providing AHTF funding in an amount that will commensurately lower the amount of the tax credit request, which will in turn increase the final CTCAC tie-breaker score. After researching winning tie-breaker scores in several prior CTCAC rounds, it was determined that a funding amount of \$2,650,000 would be sufficient to raise the project's tie-breaker score to a competitive level within the set-aside.

In total, the Managed Pipeline affordable housing developments recommended for CTCAC's 2014 Round 1 will create 213 units² of affordable housing.

January 2014 Call for Projects

As mentioned in the November 25, 2013 HCIDLA Transmittal (C.F. #13-0303), the Initial Managed Pipeline did not fully capture the currently available leverage sources and types of projects needed, specifically, projects with pending HCD TOD awards, permanent supportive housing proposals, and projects eligible for the \$14.7 million Crenshaw Corridor Prop 1C grant.

To address these gaps, HCIDLA opened another round to solicit projects within these categories, with an application deadline of February 12, 2014. Projects that pass HCIDLA threshold and readiness tests will be recommended for future 9% LIHTC CTCAC rounds, along with any other projects currently in the pipeline that have achieved readiness. HCIDLA will present its recommendations to the Mayor and City Council for approval prior to CTCAC's Round 2 deadline in early July.

Various Actions

Florence Mills Apartments

On March 8, 2011, a Predevelopment and Acquisition Loan Agreement was executed by the former CRA/LA and Hollywood Community Housing Corporation (HCHC) in the amount of \$3,100,000. The Agreement stipulates that unless the conditions precedent to loan conversion are met within two years of the date of the agreement, the full amount of principal and interest will become due and payable. On July 11, 2012, the CRA/LA Chief Executive Officer, Christine Essel, granted HCHC a one-year extension, bringing the current expiration date to March 8, 2014. Due to unforeseen project delays, HCIDLA is requesting an additional two-year extension to the loan that will bring the expiration date to March 8, 2016.

LDK Senior Apartments

On February 17, 2011, the LDK Senior Apartments Loan Agreement was executed by the former CRA/LA and Little Tokyo Service Center, Community Development Corporation (LTSC CDC) in the amount of \$4,690,000. The Agreement stipulates that unless the conditions precedent to loan conversion are met within two years of the date of the agreement, the full amount of principal and

² The unit count of 213 assumes that the Paloma Terrace and Selma Community Housing projects obtain 9% LIHTC allocations from CTCAC.

interest will become due and payable. On February 15, 2013, the CRA/LA granted LTSC CDC a one-year extension, bringing the current expiration date to February 16, 2014. Due to unforeseen project delays, it is requested that an additional two-year extension to the loan be executed, with a new expiration date of February 16, 2016.

Casa de Rosas

After a public Request For Proposals (RFP) process, in October 2011 the former CRA/LA selected Clifford Beers Housing Inc. to redevelop Casa de Rosas, a CRA/LA REO with an outstanding HCD loan and covenant requiring the provision of permanent supportive housing at the site. In December 2011, the City Council approved Clifford Beers Housing Inc. as the developer, and authorized the execution of an Exclusive Negotiation Agreement (ENA). Due to the dissolution of community redevelopment agencies, the CRA/LA never executed the ENA, and subsequently HCIDLA acquired ownership of Casa de Rosas through the transfer of CRA/LA assets. HCIDLA hereby requests that the Mayor and City Council re-authorize HCIDLA to execute an updated ENA. The City Attorney has opined that the competitive selection process conducted by the former CRA/LA also meets the City standards for such a selection process.

Courtleigh Villas and 1st and Soto TOD

Authority is requested to de-obligate AHTF commitments for the 1st and Soto TOD and Courtleigh Villas projects.

Courtleigh Villas received a funding award in 2013 Round 1 but later returned their AHTF commitment. The 1st and Soto TOD project applied for and received an AHTF commitment in 2013 Round 2, which solicited projects intending to apply for HCD TOD funds with the condition that the AHTF commitment would be valid for one leveraging source round. The project applied to the HCD TOD program but did not receive an award.

FISCAL IMPACT STATEMENT:

HCIDLA's proposed fiscal actions will commit \$2,650,000 in HOME funds for one project recommended under the Initial Call for Projects. There is no impact to the General Fund.
