## Council Action

The City Council ADOPTED the following recommendation(s), contained in a COMMUNICATION FROM THE BOARD OF WATER AND POWER COMMISSIONERS which were WAIVED, pursuant to Council Rule 17, by the Chair of the Energy and Environment Committee, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. CONCUR with the Board of Water and Power Commissioners' (Board) action of March 19, 2013, Resolution No. 013-210, authorizing the approval of the Surplus Water Supply Augmentation Agreement for NBC Universal between Universal Studios LLC and the LADWP to ensure a long-term reliable water supply.
2. FIND under the California Public Resources Code Section 21166 and the California Environmental Quality Act Guidelines Section 15162, on the basis of substantial evidence contained in the whole record, that since certification of Environmental Impact Report No. ENV-2007-254-EIR (SCH 2007071036), on November 14, 2012, there have been no changes to the NBC Universal Evolution Plan Project (Project), changes with respect to the circumstances under which the Project is being undertaken, or new information of substantial importance concerning the Project, which cause new significant environmental effects or a substantial increase in the severity of previously identified significant effects, and therefore no additional environmental review is required for the Project.
