RE: West Los Angeles Recycling at 4423 West Jefferson Boulevard, Los Angeles

Dear Ms. Gin,

This letter is regarding Mr. Razmik Aslanyian's categorical exemption and appeal filed for 4423 West Jefferson Boulevard in Los Angeles. Our company represents the property management firm for the property located directly across the street at 4423 West Jefferson Boulevard. We have found that the West Los Angeles Recycling attracts a high amount of homeless people/drug addict's to the area. The liquor store and recycling center together on the same block is not a good combination for cleaning up the neighborhood and creating a drug free environment. We have multiple reports of the people hanging around the recycling center breaking into our tenant's cars while they are lingering on the block. Our company has made great strides to try and clean up the neighborhood and renovate buildings and create positive action in the neighborhood and this recycling center does not help!!! Please contact our office directly should you have any further questions regarding this issue.

Thank you,
