SUMMARY

In a report to the Mayor and Council dated March 21, 2014 (attached to the Council file), the CAO states that the EMD requests authority to accept the FY 2013 Emergency Management Performance grant award in the amount of \$615,363 from the Department of Homeland Security. The EMD also requests authority to execute a subrecipient agreement with the County of Los Angeles to receive the City's portion of the EMPG. Grant program match requirements have been met through General Funded emergency management expenses. According to the CAO, the purpose of this program is to sustain and improve comprehensive emergency management programs at the state, tribal, and local levels from all man-made and natural disasters through the prevention, mitigation, response and recovery of all hazards events. The CAO recommends approval of EMD's requests.

At its meeting held March 28, 2014, the Public Safety Committee recommended that Council authorize EMD to accept this grant award, and to take the related actions above, as
