SUMMARY

In a report to the Mayor and Council dated September 5, 2013 (attached to the Council file), the CAO states that the EMD requests authority to accept the FY 2012 Emergency Management Performance grant award in the amount of \$607,139 from the Department of Homeland Security for the grant performance period of July 1, 2012 to June 30, 2013. The EMD also requests authority to execute a sub-recipient agreement with the County of Los Angeles to receive the City's portion of this grant award.

According to the CAO, the Emergency Management Performance grant requires a dollar for dollar match that the City has met through General Funded emergency management expenses. The purpose of the Emergency Management Performance grant is to sustain and improve comprehensive emergency management programs at the state, tribal, and local levels from all man-made and natural disasters through the prevention, mitigation, response, and recovery of all hazards events. The CAO recommends approval of EMD's requests.

At its meeting held September 13, 2013, the Public Safety Committee recommended that Council

authorize the EMD to accept this grant award, and to approve the related actions above, as recommended by the CAO.

Respectfully Submitted,

PUBLIC SAFETY COMMITTEE
