

INNOVATION, TECHNOLOGY AND GENERAL SERVICES COMMITTEE REPORT relative to authorization for the release of Email and City Desktop/Enterprise Standards Request for Proposals.

Recommendation for Council action:

AUTHORIZE the General Manager of the Information Technology Agency (ITA), or designee, to release and evaluate responses to the Email and City Desktop/Enterprise Standards Request for Proposals.

Fiscal Impact Statement: The Information Technology Oversight Committee reports that in 2013-14 the ITA is funded \$852,397 for Google licenses for the non-proprietary departments excluding the Los Angeles Police Department. There will likely be increased costs to consider full implementation of the required elements in the Request for Proposals, however those exact costs will not be known until such time as the responses are evaluated.

Community Impact Statement: None submitted.

Summary:

On August 27, 2013, the Innovation, Technology and General Services Committee considered the Information Technology Oversight Committee report dated August 22, 2013 relative to authorization for the release of Email and City Desktop/Enterprise Standards Request for Proposals. During discussion of this matter, representatives from the ITA and Information Technology Oversight Committee provided an overview and additional clarification of the matter and responded to related questions from Committee members.

After further consideration and having provided an opportunity for public comment, the Committee recommended that Council approve the recommendation as stated in this report. This matter is now forwarded to Council for its consideration.

Respectfully Submitted,

INNOVATION TECHNOLOGY AND GENERAL SERVICES COMMITTEE
