

MOTION

In accordance with State law, the City Clerk is compiling petitions to establish the Greater Leimert Park/Crenshaw Corridor Business Improvement District (BID). The BID would serve the community by providing services such as graffiti removal, security, landscaping, and beautification. The boundaries of the proposed BID include both privately-owned parcels and City-owned parcels.

The City has previously supported BID formation efforts in areas where the City owns property. To allow these efforts to proceed, the Council should instruct the City Clerk to sign the petition for the City-owned parcels included in the BID. It is critical that the BID formation process be expedited to comply with deadlines associated with the County Assessor tax rolls.

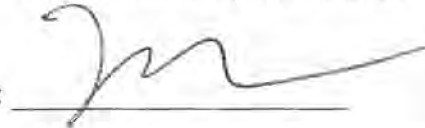

I THEREFORE MOVE that the City Council instruct the City Clerk, or designee, to sign the petition for the City-owned parcels included in the Greater Leimert Park/Crenshaw Corridor Business Improvement District in order to meet applicable deadlines under the provisions of State law.

I FURTHER MOVE that the City Clerk be authorized to make any changes or adjustments to the above instructions in order to effectuate the intent of this Motion.
