MOTION

A report from the Cultural Heritage Commission relative to the inclusion of the Shopper's Market Building located at 4511-4525 North Figueroa Street and 129-135 West Avenue 45 in the Planning and Land Use Management Committee (CF 13-0611).

The Cultural Heritage Commission report has a 90 day deadline for Council to act, which is on October 30, 2013. The report has been noticed for consideration by the Planning and Land Use Committee on October 22, 2013.

More time is needed to fully vet this cultural-heritage nomination by the Council, and the October 30, 2013 deadline is not feasible. Per Administrative Code Section 22.171.10(f), the Council may extend the 90 day time limit to act by good cause for a maximum of 15 days. These additional 15 are needed to allow all interested stakeholders more time to fully deliberate its merits.

I THEREFORE MOVE that the Council extend by 15 days for good cause the time to act on report from the Cultural Heritage Commission, as allowed by Section 22.171.10(f) of the Administrative Code, relative to the inclusion of the Shopper's Market Building located at 4511-4525 North Figueroa Street and 129-135 West Avenue 45, that is pending consideration by the Planning and Land Use Management Committee (CF 13-0611), and which has a deadline for Council to act of October 30, 2013, to enable all interested stakeholders more time to fully deliberate its merits.
