BOARD RESOLUTION

Council File: **13-0658**

Attn: Public Works and Gang Reduction Committee

Sept. 17, 2013

We declare that on August 7, 2013 a Brown Act noticed public meeting was held by the Eagle Rock Neighborhood Council at which a quorum was present, and the following motion was passed unanimously:

1. Resolved, the Eagle Rock Neighborhood Council recommends that the Public Works and Gang Reduction Committee accept recommendations 2 and 3 in the Bureau of Engineering report of August 19, 2013, and reject recommendation 1 (to provide an exemption from managed hiring to fill one Civil Engineering Associate II position).

2. Resolved, the Eagle Rock Neighborhood Council recommends that the Board of Public Works and City Council ultimately approve a pilot program to allow a temporary permit process to expedite the legal placement of sidewalk dining and storefront furniture within the Historic Core area, and further, that this initiative move beyond a pilot program to institute a more streamlined process throughout the City of Los Angeles, including Eagle Rock, which shares the Historic Core's enthusiasm for safer, more prosperous, and pedestrian-friendly streets.

Respectfully Submitted,

David Greene
Vice President, Eagle Rock Neighborhood Council
