SUMMARY

In a report to the Mayor and Council dated August 22, 2013, the CAO recommends approval of the Mayor's request for authority to modify the FY 2010 Regional Catastrophic Preparedness Grant Program budget to reallocate the total of \$131,899 in returned funds to the City of Los Angeles Emergency Management Department (EMD). EMD will use the funds to support the contract for the design and publication of a step-by-step disaster recovery handbook for disaster survivors entitled, "The Red Guide to Recovery, Resource Handbook for Disaster Survivors." The additional allocation of \$131,899 will increase the contract amount with Sean Scott from \$368,101 to \$500,000 for additional copies of the Red Guide in different languages. The revised grant budget is included as Attachment 1 of the Mayor's report to Council dated August 21, 2013 (attached to the Council file).

CAO recommendations dated August 22, 2013, replace recommendations from a report dated August 2, 2013. The original report outlined an increased allocation of \$240,000 for the American

Red Cross for a two-phase planning and assessment project. Since the release of the report, the American Red Cross has declined \$130,000 of the \$240,000 allocation due to revised project budgets and issues with meeting the grant match requirement. In addition, the City of San Bernardino has also returned an additional \$1,899 of its allocation. The original report also included re-appropriations for the Los Angeles Housing Department (LAHD) within the grant fund. The new CAO report revises these recommendations due to revisions in the travel expenses reported by LAHD.

At the Public Safety Committee meeting held August 23, 2013, the Public Safety Committee recommended that Council authorize the Mayor to modify the FY 2010 Regional Catastrophic Preparedness Grant Program budget and to approve the above related actions, as recommended by the CAO in the report dated August 22, 2013.

Respectfully Submitted,

Public Safety Committee
