RE: COUNCIL FILE TRANSMITTAL

On October 1, 2014, the Energy and Environment Committee considered an August 5, 2014 Bureau of Sanitation (BOS) report relative to proposed plan for the Citywide abandoned waste clean-up. An updated report was submitted during the meeting by the BOS dated October 1, 2014.

After consideration, the Committee moved to recommend approval of the CLEAN Streets Plan (Recommendation No. 1 in the October 1, 2014 BOS report). Additionally, the Committee moved to recommend referring this matter to the Budget and Finance Committee for further consideration of the budget impacts of initiating the Clean Streets Program. Finally, the Committee recommended instructing the BOS to report back in 90 days in regard to program implementation to include data collection and metrics and to further work with the Los Angeles Police Department in regard to creating a volunteer surveillance team to aid in combating illegal dumping.

This file is now transmitted to the Budget and Finance Committee.
