Alexander E. Helou, P.E., Assistant Director
Javier Polanco, P.E., Division Manager

Bulky Item Pick-up

As part of its collection service to single-family residents, LASAN collects and disposes of bulky items.

Bulky items include:

- Household Furniture
 - Mattresses
 - Appliances
- Pick-ups are scheduled via appointment using 800-773-CITY (2489).

The appointment is scheduled for the customer's next regularly scheduled collection day.

“Keep it Clean” Campaign

On July 2, 2013, Councilmember Gilbert Cedillo introduced a motion (C.F. No. 13-0852) directing LASAN to build a comprehensive program to address blight from abandoned solid waste in Council District 1.

LASAN initiated a pilot program to offer dedicated and enhanced sanitation services.

City-wide Program Model

As a result of the success of the “Keep it Clean” campaign, on November 5, 2013, Councilmembers **Cedillo**, **Blumenfeld**, **Bonin**, **LaBonge**, **O’Farrell**, **Price**, and **Wesson**, introduced a Motion (C.F. No. 13-0852-S1), instructing LASAN to outline a clean-up proposal to provide enhanced services to every neighborhood in the City.

The Motion also directs LASAN to provide associated costs attributable to the General Fund and those costs not eligible for LASAN’s Special Funds.

Pros and Cons

Option 2 Keep it Clean

Citywide Model

Dedicated crews assigned to each council district. It is anticipated that the cost for this option will be in the range of \$25 to \$30 million.

Pros

- Response time 48 hour or less.
- Equivalent level of service as the "Keep it Clean" campaign.
- One dedicated crew for each council district. (A total of 15 crews.)
- Allows LASAN to offer several comprehensive functions under one program.

Cons

- \$25-\$30 million to fund.

Option 3

Menu of Services

A menu of options for clean-ups. Utilizes either dedicated General Fund dollars and/or council office discretionary funds to pay for that service.

Pros

- Allows each council district to choose the level of service.
- Districts can utilize crews on a weekly basis for programs.

Cons

- Requires dedicated funding from each council district.
- Scheduling for council districts is based on crew availability.
- No dedicated crews per council district.
