Dear PLUM Committee Members:

I am opposed to the Il Villagio Toscano project. My family lives nearby. Traffic is already horrible and people cutting through neighborhood streets because of the traffic on Sepulveda and Ventura already make the streets unsafe for our children. This project will create significant impacts at least from Ventura Boulevard to the 101 Freeway that cannot be mitigated. A project with those kinds of impacts does not promote neighborhood preservation. It promotes neighborhood destruction. Please reject this project and its EIR. Thank you. Sincerely, Eliza Benisty.
