Subject: Bishop Residence, 1342 West Adams Boulevard

Dear Ms. Gin,

I fully support the West Adams Heritage Association's position on the Bishop Residence and urge you to NOT give a categorical exemption to this project for reasons they have previously outlined. As a Los Angeles resident, it is clear to me that a categorical exemption has no legal merit and I urge you to avoid a course that steers the city toward costly, and ultimately futile, legal action.

Sincerely,

Stephen Wallis
