 Subject: Height restriction in Echo Park...

Councilman Cedillo,

I am writing about an item on tomorrow's agenda concerning the 1LV height district from downtown Echo Park, reducing the maximum height from 75 feet (think CitiBank Building) to 45 feet. I am a resident of Echo Park and very very invested in maintaining the integrity of the neighborhood that I purchased my home in. I didn't move into the area so that 75 foot buildings could be thrown up randomly. If I wanted that atmosphere I would have moved to DOWNTOWN or CENTURY CITY. Please take this very seriously. These are very important height restrictions that indeed protect a neighborhood and history.

Thank you.
