Fiscal Impact Statement: The CAO reports that this action will not impact the General Fund. Approval of the above recommendations will allow for the continued expenditure of the FY10 UASI grant. These actions are in compliance with City financial policies in that grant funds are sufficient to support the grant activities.

Community Impact Statement: None submitted.

SUMMARY

In a report dated September 5, 2013, the CAO states that the Mayor requests authority to modify the United States Department of Homeland Security FY10 UASI grant award. According to the CAO, a total of \$399,956 in cost savings have been identified by sub-recipients from their various FY10 UASI equipment and training projects. The cost savings were returned from the following cities and agencies: Beverly Hills (\$8,809), Bob Hope Airport (\$18,235), Culver City (\$2,804), Glendale (\$53,996), Port of Los Angeles (\$15,830), Los Angeles County Sheriff's Department (\$208,613), Monterey Park (\$477), Santa Fe Springs (\$2,144), Santa Monica (\$88,916), and Vernon (\$132).

The CAO reports that of the \$399,956 in cost savings, \$176,956 is reallocated to EMD for the development of the regional Recovery Guide and Template, and \$18,281 to the LAPD for Hydra training. The remaining \$223,000 in FY10 UASI funds will be used to fund projects that were approved as part of the FY11 UASI but will now be moved to FY10 UASI in order to fully expend the grant. The allocations for the projects will be provided to Burbank (\$2,973), Inglewood (\$77,130), EMD (\$11,371), LAPD (\$37,938), and Pasadena (\$40,890). The CAO recommends approval of the Mayor's request.

At its meeting held September 13, 2013, the Public Safety Committee recommended that Council authorize the Mayor to modify the FY 2012 UASI grant award budget, as recommended by the CAO, as amended to incorporate the correction of two typographical errors in the CAO report, and as reflected above.

Respectfully Submitted,

PUBLIC SAFETY COMMITTEE
