RE: COUNCIL FILE TRANSMITTAL

On February 26, 2019, the Economic Development Committee considered Economic and Workforce Development Department (EWDD), City Administrative Officer, and Chief Legislative Analyst (CLA) reports on the Citywide Economic Development Strategy (CEDs) with specific policy proposals for budgetary and policy changes, consistent with the recommendations contained within the EWDD report, Council file No. 13-1090-S1. After consideration of the matter, the Committee moved to approve the recommendations as found in the CLA report dated February 22, 2019, with the following additional instructions:

- 1 G. Ensure that all eligible census tracts in the City are included in the CEDs in consultation with each Council office.
3. Instruct the EWDD to report on the process for application and administration of the United States Economic Development Administration and other economic development grants.
4. Instruct the CLA to evaluate the creation of an Economic Development Commission versus utilizing the Los Angeles Development Fund (LADF) or forming a City department working group tasked with oversight and tracking of economic development issues and projects in the City.

This file is now transmitted to the Ad Hoc on Comprehensive Job Creation Plan Committee.
