

MOTION

I MOVE that the City Attorney, with the assistance of the Department of Building and Safety be requested to prepare and present an ordinance to amend the Municipal Code provisions relative to a public notification process for the demolition of older structures (Ordinance No. 183,312, CF 13-1104) in order to enact necessary technical corrections to create further transparency and consistency for the required postings, in particular who is notified, where and what size the posting should be, and verification of postings.
