D. PUBLIC CONVENIENCE AND NECESSITY EVALUATION

The City of Los Angeles is very concerned if a new request to sell alcohol is subject to one of the conditions below. There is a strong likelihood that the City will deny your "public convenience or necessity" application if one of the above listed conditions apply to your site. (It is strongly suggested that you contact your Council Office and discuss your project. If the Council Office does not oppose your project, you should then check with your local area police vice unit as well as the Planning Department Public Counter at (213) 977-6083 for the determination of whether the proposed site is within a Specific Plan area, and the Community Redevelopment Agency (CRA) project staff at (213) 977-1682 or 977-1665, to determine if your site is in a CRA Project Area. If any of the five conditions listed below apply to your site, you should carefully consider if you want to file for a Public Convenience or Necessity finding.

1. The proposed site is in an area with a long-term level of undue concentration of alcoholic beverage outlets.
2. The geographic area is the target of special law enforcement activity, i.e., police task force is working on reducing vice in the area, or eliminating juvenile crime (such as cruising or graffiti) or gang activity.
3. The proposed site is in close proximity to sensitive uses, including schools, parks, churches, youth activities, homeless shelters, mental health or alcohol or drug treatment centers.
4. The geographic area has elevated levels of alcohol-related crimes, including but not limited to: public intoxication, driving under the influence, assault, vandalism, prostitution, drug violations, loitering.
5. The proposed site is located in a Specific Plan or Community Redevelopment Agency Project area which specifically includes a policy to control future alcoholic beverage sales.

## E. If the project site is not subject to one of the above criteria, your project will be evaluated by the City Council with consideration given to the following possible benefits and detriments to the community:

1. Possible Benefits

Would the business:

- a. Employ local residents (how many)
- b. Generate taxes (provide estimate)
- c. Provide unique goods and services (which ones)
- d. Result in an aesthetic upgrade to the neighborhood (in what exact way)
- e. Contribute to the long term economic development (how)
- f. Provide a beneficial cultural/entertainment outlet (specify)

F. APPLICANT'S AFFIDAVIT

Under penalty of perjury the following declarations are made:

- a. The undersigned is the owner or lessee if entire site is leased, or authorized agent of the owner with power of attorney or officers of a corporation (submit proof).
- b. The information presented is true and correct to the best of my knowledge.

Hello again John,

I have been working diligently with the folks at LAPD's Discovery program to obtain the best crime information I could for the PCN application for Grandpa Johnsons, LLC for the property at 1638 N Cahuenga Blvd. LAPD's Anita Gardner directed me towards the Crimemapper program, which I used to get crime data for the .5 mile radius for the site. As I was not able to get the data specifically for the subject Census Tract (1907.00), whose boundaries correspond to those of the subject LAPD Reporting District 646 (please see the attached Census Tract and LAPD Reporting District maps), I pulled data for .5 mile radius around the site. This encompasses the Census Tract and the LAPD Reporting district, plus some more.

Anita Gardner informed me that data could only be retrieved for the past six months, whether via the CrimeMapper mapping tool or otherwise. Please follow the below links for a Trend Report, and a Detailed Report of crime for the period of 3/8/2013 and 9/3/2013.

Please let me know if this will suffice for the purposes of the PCN application. As I explained before, the Dept of ABC no longer provides crime information for the purposes of PCN Applications. I have done my best to work with LAPD in the absence of the Dept of ABC reports to get you as thorough of crime data as possible. I appreciate your patience as I gathered this data. I am happy to provide you hard copies of all of the materials contained this email as well as the address list that is also outstanding.

Thank you in advance for your attention to this email and I look forward to your response and your direction.

Respectfully,  
Nik
