Community Impact Statement

Council File # 13-1300-S1

At the January 17, 2013 General Board meeting the FTDNC voted to **OPPOSE** this motion as there has been no adequate outreach to the communities. An additional tax to property owners for street repairs, which everyone uses and should be covered by the normal City budget process needs to be presented to the community and not summarily slide through City Council in a rush to get on an shortly upcoming election.

Signed,

President
