Item Number:

Brief Summary: In accordance with the City Charter, the West Hills Neighborhood Council (WHNC) requests that all issues that affect their communities be sent to the impacted Neighborhood Councils 60-90 days prior to their first hearing (in City Council) so that the Neighborhood Councils may have the time to reach out to their stakeholders and present their positions to the City Council.

Additional Information: This ACTION was taken, not to criticize the merit of this street repair or tax issue but because the issue was not first brought before the NCs as required by the City Charter.

This CIS presents a WHNC policy which expects timely and adequate notification for all NCs so that they can consider and take timely, necessary actions to modify, support or oppose City Council Actions. It may be resubmitted whenever there is inadequate notification
