Small Lot Subdivision Ordinance**

The Board of Directors of the Tarzana Neighborhood Council passed the following motion at its regularly scheduled meeting on May 27:

Resolved: The Tarzana Neighborhood Council supports the November 1, 2013 motion by Councilman Tom LaBonge concerning the Small Lot Subdivision Ordinance. Specifically, we move that the Department of City Planning and the office of the City Attorney be directed to update and improve the Small Lot Subdivision Ordinance and Small Lot Subdivision Guidelines and make any necessary changes to ensure that any future Small Lot Subdivisions are compatible with the adjacent neighborhoods.
