Council File No: 13-1482-S3

Comments for Public Posting: On behalf of CRA/LA, a Designated Local Authority and successor to the former redevelopment agency of the City of Los Angeles, I am in support of the staff recommendations to authorize the transfer of land use functions to the City for 19 active redevelopment plans. CRA/LA continues to perform these functions; however, the City is better resourced to conduct these reviews, and to ensure consistency with City zoning and community plans.
