Dear Honorable Members:

**TECHNICAL MODIFICATION TO THE PROPOSED RESOLUTION AND ORDINANCE
TRANSFERRING THE LAND USE AUTHORITY OF THE FORMER COMMUNITY
REDEVELOPMENT AGENCY OF THE CITY OF LOS ANGELES (CRA/LA) TO THE CITY OF
LOS ANGELES (CITY); CF 13-1482-S3**

The proposed resolution transferring the land use authority of the Former CRA/LA to the City and the proposed ordinance establishing Redevelopment Plan procedures to implement the land use plans and functions of the Former CRA/LA is being re-transmitted to clarify certain sections, definitions, and procedures. These technical modifications do not result in a substantial change to the content of the proposed resolution and ordinance, or change the environmental clearance. The proposed ordinance and proposed resolution as modified would not have a significant impact on the environment and Categorical Exemptions Class 8 and Class 20 still apply.

For questions regarding this transmittal, please contact Craig Weber at (213) 978-1311.

Sincerely,

VINCENT P. BERTONI, AICP

RESOLUTION

WHEREAS, in 1945, the California State Legislature authorized the formation of community redevelopment agencies as a tool to revitalize blighted communities; and

WHEREAS, in 1948, pursuant to this authority, the City of Los Angeles (City) created the Community Redevelopment Agency of the City of Los Angeles (Former Agency); and

WHEREAS, in the summer of 2011, the California State Legislature enacted AB X1 26, which dissolved redevelopment agencies in California and gave each city that had created a redevelopment agency the option to become the successor agency in charge of winding down the operations of the former redevelopment agency that the city had created; and

WHEREAS, on January 11, 2012, the City elected not to become the successor agency to the Former Agency, and on February 1, 2012, the Governor appointed a Designated Local Authority (CRA/LA-DLA) to wind down the Former Agency's operations; and

WHEREAS, on June 27, 2012, the State passed additional legislation (AB 1484) amending Section 34173 (i) of the California Health and Safety Code to allow the transfer of land use related plans and functions of the former redevelopment agency to the city or county that authorized the creation of the redevelopment agency; and

WHEREAS, as of the date of adoption of this Resolution, there are: (i) 19 active redevelopment plans for 19 project areas (collectively, the "Project Areas") that were prepared by the Former Agency and adopted by the City Council by ordinances approved by the Mayor, which redevelopment plans will expire on various dates after the effective date of this Resolution and are described in Sections 3 through 21 of this Resolution (collectively, the "Redevelopment Plans"); and (ii) various design guidelines, development guidelines, and other rules, regulations, and similar guidelines governing signs, open space, streets, utilities, land use, or development that were adopted by the Former Agency pursuant to the Redevelopment Plans (collectively, the "Guidelines"); and

WHEREAS, while Health and Safety Code Section 34173(i) provides for the transfer of land use related plans and functions of the Former Agency to the City, Health and Safety Code Section 34173(g) provides that liabilities of the Former Agency shall not be transferred to the City, and Health and Safety Code Sections 34177(a) and 34177(c) provide that the CRA/LA-DLA is required to make payments due for any enforceable obligations of the Former Agency or CRA/LA-DLA, as defined in Health and Safety Code Section 34171(d), (collectively "Enforceable Obligations") and to perform obligations required pursuant to any Enforceable Obligation; and

WHEREAS, transferring the land use related plans and functions of the Former Agency to the City is critical to: (i) maintain important land use protections in the areas

with active redevelopment plans, (ii) retain local control over land use policy in the City, (iii) ensure continuity and certainty for the development community, and (iv) ensure that the City's economic development goals are achieved;

NOW, THEREFORE, BE IT RESOLVED:

(3) Maximum Deviation

(i) Use, single deviation, or series of deviations from the Zoning Code or Redevelopment Plan which was not approved as part of the original action; or

(ii) Any modifications which would result in an increase or reduction of the physical development, planned operation, or conditions of approval on the original action by more than 20%.

(4) New Application. Any deviation that does not substantially conform to the original action or exceeds the maximum deviation prescribed in Paragraph 3 (Maximum Deviation) above requires a new application.
