Case No.: Council File 13-1491
Item No.: 3

Dear Committee Members:

Per my conversation with the Council Office of the District (CD 1), this is a formal request to continue the above noted item to the next meeting of the committee. Said continuance will give the applicants an opportunity to address some comments recently submitted to the committee by an adjacent neighbor, and Conditions requested by the Bureau of Engineering (BOE). Thank you for your consideration of this request.

Respectfully,

Nathan Freeman, MGP
