Re: Council File # 13-1493

MVCC wishes to express deep concerns regarding the Chief Legislative Analyst report 14-05-0361, dated May 13, 2014, relative to various recommendations relating to the City's Street Vending Policy. MVCC believes the following issues must be resolved before any ordinance moves forward:

- Overlapping regulatory responsibility and possible gaps in enforcement requirements,
- Liability
- Trash Locations and /or zones where permitted
- Resources for permit compliance given the mobility aspects of these carts
- Allocation of scarce sidewalk space-other uses must be permitted to use the public right of way
- ADA compliance/obstruction of the public right of way
- noise
- odors
- hours of operation
- Sanitary conditions for food vendors-restrooms; hot water, etc.
- Impacts upon brick and mortar stores and JOBS—Business Improvement Districts s have to pay for services, and sidewalk vendors pay nothing. Sales Taxes are not necessarily collected

The MVCC further requests that neighborhoods be allowed to opt in to any proposed sidewalk vending ordinance as in the precedent set by the murals ordinance.

Thank you for your consideration in this matter,

Bill Koontz, Chair
Mar Vista Community Council
