John,

I am a property owner and property manager in the Fashion District. I am pleased to see that the City is moving forward on Sidewalk Vending. I have read the preliminary framework and would like to make the following suggestions:

1. While operating vendors must carry: a copy of their permit, proof of liability insurance and Landlord's WRITTEN consent for the vendor to be operating in front of their premises.
2. An empowering method for the new rules and regulations to be enforced by the police.

Thank you for your efforts on this project.
