Dear Sirs and Madams,

Rodenticide is killing our wildlife, poisoning our pets and children (particularly in our parks and environmentally sensitive areas). By killing the rodent predators we are INCREASING rodent populations.

Please stop using anti-coagulant rodenticide especially in our parks, hillsides, open spaces, rivers and other environmentally sensitive areas.

Thank You!

Sincerely, Nancy Mette  
535 South Plymouth Blvd  
Los Angeles, CA 90020
